Makers

The "CHANGE MAKERS" project is a response to our needs, young people. Together with our peers from around Kiev, we noticed a huge problem as a result of lack of tolerance, xenophobic attitudes, or racism affecting the citizens of both countries, both from outside and among us.

Youth exchange is to provide an open field for discussion and work on overcoming negative stereotypes and to strengthen intercultural dialogue and understanding among our peers. 28 people will participate in the project (24 representatives of youth and 4 leaders).

OBJECTIVES

- raising the level of knowledge in the field of non-formal education
- raising awareness of the subject matter
- creating an environment conducive to our work and cooperation
- supporting intercultural dialogue
- creating a comic book

METHODS

presentations,
brainstorming, discussions
work in international
groups, film screenings,
thematic sessions,
creative
and artistic activities,
promotional and
information campaign,
reflections and
evaluations, national
evenings, regional
evening,
energizers, integration
games / team building

DEFINING BULLYING

WHAT IT IS & WHAT IT'S NOT

Bullying is the use of force, coercion, or threat, to abuse, aggressively dominate or intimidate. The behavior is often repeated and habitual. One essential prerequisite is the perception (by the bully or by others) of an imbalance of physical or social power. This imbalance distinguishes bullying from conflict.

CYCLE OF BULLYING

BREAKING DOWN
THE PROCESS

Bully starts action.

Bully's followers and supporters participate.

Disengaged onlookers do not intervene.

REFLECTING ON YOUR BEHAVIOR

Think of a time you were in a situation that involved bullying.

What did you do then?

What would you have done differently?

DEFINING STEREOTYPES

WHAT IT IS & WHAT IT'S NOT

Stereotypes are characteristics imposed upon groups of people because of their race, nationality, and sexual orientation. These characteristics tend to be oversimplifications of the groups involved, and while some people truly do embody the traits of their stereotype, they are not necessarily representative of all people within that group. Stereotypes are not always accurate and even if positive, can be harmful.

HUMAN RIGHTS

HUMAN RIGHTS ARE RIGHTS INHERENT TO ALL HUMAN BEINGS, REGARDLESS OF RACE, SEX, NATIONALITY, ETHNICITY, LANGUAGE, RELIGION, OR ANY OTHER STATUS. HUMAN RIGHTS INCLUDE THE RIGHT TO LIFE AND LIBERTY, FREEDOM FROM SLAVERY AND TORTURE, FREEDOM OF OPINION AND EXPRESSION, THE RIGHT TO WORK AND EDUCATION, AND MANY MORE. EVERYONE IS ENTITLED TO THESE RIGHTS, WITHOUT DISCRIMINATION.

United Nations definition

XENOPHOBIA

the fear or hatred of that which is perceived to be foreign or strange
Xenophobia can involve perceptions of an ingroup toward an outgroup and can manifest itself in suspicion of the activities of others, and a desire to eliminate their presence to secure a presumed purity and may relate to a fear of losing national, ethnic or racial identity. Xenophobia can also be exhibited in the form of an "uncritical exaltation of another culture" in which a culture is ascribed "an unreal, stereotyped and exotic quality". According to UNESCO, the terms xenophobia and racism often overlap, but differ in how the latter encompasses prejudice based on physical characteristics while the former is generally centered on behavior based on the notion of a specified people being adverse to the culture or nation.
